TRANSCEND®
Sleep Apnea Therapy SYSTEM

Transcend is changing the way sleep apnea therapy is delivered.™

Experience the comfort and convenience of humidification in one small package.

Transcend Heated Humidifier™

The Transcend Heated Humidifier provides premium comfort for your sleep apnea therapy. Staying true to Transcend's small and innovative product line, the water-based humidifier integrates completely with Transcend PAP therapy devices to provide warm, moist air during therapy to enhance patient comfort.

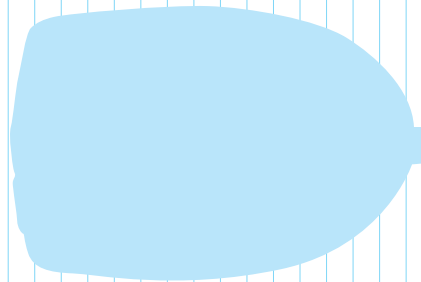

- Integrated design
- Adjustable heat settings
- Warm up indicator
- Automatic 'off' safety feature

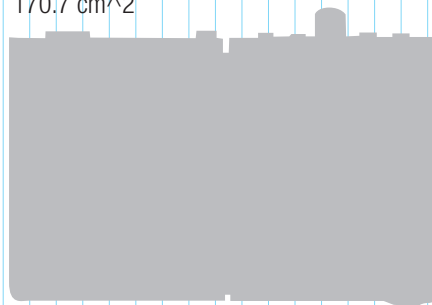

Smaller footprint on the night stand.

Transcend delivers comfort in a small package. And that's a big deal when space is limited.

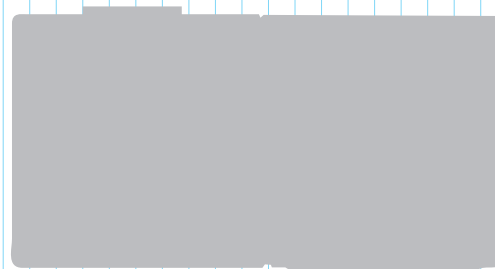

Transcend® CPAP & Heated Humidifier

**At home or on the road,
Transcend products are designed
to enhance the lifestyles
of active PAP users.**

Transcend therapy products have the flexibility to fit your active lifestyle. Experience the comfort of heated humidification at home, and when you're ready to hit the road, simply slide your Transcend device out of the humidifier, or pack both of these small, portable products for your next getaway.

Contact your medical supplier for more information.
